

Addendum to:
Lawrence County School District
Ready for Learning/Support Plan
K-12
2021-2022

Effective September 15, 2021, the board voted put the following procedure in place:

- Students attending Walnut Ridge School, grades K-12, are required to wear a mask. The mask mandate will be reviewed by our Board of Education in November.
- The Lawrence County School District will continue to make the safety and well-being of our students a priority. Social distancing will still be practiced when possible, sterilization and deep cleaning in the buildings will continue, and large gatherings will be avoided.

The Lawrence County School District will accept public comments on these changes to be taken into consideration for the 2021-2022 school year. To submit any public comments through November 15, 2021 concerning the LCSD Ready for Learning/Support Plan, including the mask policy, please click the link below.
